*River North*

**Opening date:** August 2021

At this modern-day supper club chef Mark Sparacino (Prosecco) leads the menu. Guests may spot some of Sparacino's classic Italian hits (e.g. handmade pastas and Sicilian-style seafood), but can expect several global twists, too—many of them served in memorable fashion (think Chorizo and Manchego-stuffed Medjool Dates smoked under glass or Tomahawk Prime Ribeye sliced tableside).
